

DAPPERS LANE IS UNDER THREAT

Join our campaign to:
save the animals and trees

Turn the top of Dappers Lane into
a no through road

We know that there will be further housing developments along
Dappers Lane. **We need to act now to save the top of the lane
by limiting vehicle access.**

Saving the top of Dappers Lane needs the support of West Sussex
County Council – they are in charge of the roads in Angmering. Our
local County Councillor, Deborah Urquhart, says **"I totally support the
stopping up of the top of Dappers Lane. I have long supported
the idea of this being a pedestrian, cycling and bridleway access
to the National Park."**

South Downs National Park is also concerned about vehicles using
Dappers Lane as a through road, which makes it **dangerous for
runners, pedestrians, cyclists and horse-riders.**

If you also believe, like we do, that the rural
top of Dappers Lane needs to be closed off
to most traffic, please text:

Save Dappers Lane to 07476 348 995
or email your support to
SaveDappersLane@gmail.com

and we will let you know how to help –
and keep you in the loop.
